

Defender Series Installation Instructions

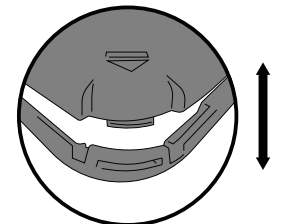

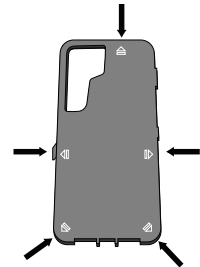

1 Remove case from holster (if applicable).

2 Peel away and remove the outer slipcover.

3 The shell separates into two pieces. To separate, find the arrows* on the shell back and release the corresponding snaps on the shell's side.

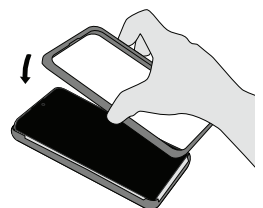

*Arrow locations may vary by device

4 Place the device into the bottom half of the shell.

5 Place the shell top half on the device and snap the two pieces together along all edges.

6

Wrap the slipcover around the shell. Ensure silicone slipcover is nested in groove and notches on all sides for a tight, secure fit.
